

Quality Policy

Bluedog Fences Australia is a manufacturer, supplier and installer of quality steel and other fencing materials.

Bluedog Fences Australia has developed and implemented a Quality Management System in order to document the company's best business practices, better satisfy the requirements and expectations of its customers, and improve the overall management of the company.

It is Company policy to supply customers with products on time and which meet or exceed standards with respect to performance and quality, and which comply with all relevant statutory requirements. It is also Company policy that products be manufactured safely in a suitable environment at economical cost with minimum waste.

Management is committed to the achievement of this objective and accordingly the Company has established and implemented a Quality Management System, which it continuously maintains and improves.

This Quality Management System has undergone rigorous independent testing to gain ISO 9001:2000 certification.

The result is Bluedog Fences Australia is a Quality Assured Company.

This policy applies to Bluedog Fences Australia in all its operations.
